Wear a mask if approaching the tournament desk/tent. Spectators must remain 5 meters away the white touch line and 10 meters behind the goal lines.

**Lunch/Dinner:** Snacks may be provided.

**OSA Rosters & ESL Game Sheets:** Each club team must submit an official OSA Roster, **signed by all attending players**, to the registration desk, along with **game sheets for each of their games** (find under "My Team -> Coach Options - > Blank Gamesheet" in the [www.escarpmentsoccer.com](http://www.escarpmentsoccer.com) league website; you need to log in to access this). No roster - no game; no game sheet - no game. If a team does not have roster or game sheet, it's games will default to a 0-3 loss. Game sheets must have correct jersey numbers for each player. Only players on the OSA roster can be listed on ESL game sheets. Handwritten game sheets will NOT be accepted. Only team officials listed on the game sheet are allowed in the technical area. No other persons/spectators are allowed in the technical area. Please ensure that you have all paperwork ready a week prior and reach out to your club if you need assistance.

**Discipline:**

We follow OSA discipline procedures. There are no appeals to the decision made of the Tournament or Discipline Chair.

**Awards:**

Coaches are to pick up league winner medals from the convenor's tent. Ditto for tournament winner and finalists. It is advisable to hand out medals "Olympic" style (team mates give medal to each other; presenters should wear mask during ceremony).

**Tiebreakers:**

Each game MUST have a winner. If game is tied at the end of regulation time, game proceeds immediately to Kicks from the Penalty Mark (KftPM) to determine the winner of the match. Only players on the pitch at end of regulation time can take a KftPM.

Procedure: there will be a set of 5 KftPM and if still tied, there will be "sudden death" KftPM. In sudden death, the team must use first any player who has not taken a KftPM yet before starting the line up again.

The final score will include the goals scored from KftPM; example: if the game was tied at 1:1 and the KftPM resulted in 4:2 converted kicks, the final recorded score would be 5:3.

The tiebreaker to determine the winner of the tournament, if two or more teams are tied for first place, is as follows:

1. Biggest goal differential
2. Highest goals for
3. Lowest goals against
4. Head to Head in tournament
5. League Standing
6. Toss of Coin
